

# MAXWELL ALVES DOS SANTOS

Frontend Developer

## ABOUT ME

Trained as a Systems Development technician, my focus is to specialize in Frontend. The ease of communication has always provided me with good experiences with group work, and knowing how to work in a group is essential, I feel safe in saying that I will do a great job.

I want to work solving problems using technology and making a difference in people's lives and how they relate to the internet.

I seek opportunities for personal and professional growth, always willing to learn and show results.
